Monday Bike Park Laps

A morning filled with learning new bike handling skills and progressing through various graded trails in the Bike Park. A lunch stop in Mui Wo town before mastering some technical trails on Lantau.

Tuesday CMW Coastal Cruise

A journey out to Chi Ma Wan where we search for some of the best trails on Lantau. We begin the day with some direction control through leaning, rotating and steering the bike. Riders take to the trail and develop newly acquired skills on a picturesque coastal route after having lunch.

Wednesday Tai O Waterfalls

A day off the trails to explore Tai O. Children enjoy a well deserved rest day; spent taking a speedboat to the waterfalls and having fun in the water. We learn some interesting things about natural buildings and the oldest fishing village in HK.

Thursday Lamma Island

Thursdays are filled with exciting new trails to explore on Lamma Island. We enjoy a day out putting into practice the new acquired skills learnt throughout the week. (Pickup & Drop off Central)

Friday Tai Mo Shan

The Final Day is filled with progressive drills to develop riders to the next level. Some of which include bike body separation, line choice, flat corners, maximising grip and traction through pumping and weighting the bike. We take to some more technical trails in the afternoon and finish by a beautiful reservoir.
